

# HSEM TRAINING DECISION MATRIX

What training is best suited to <i>MY ROLE</i> in Emergency Management? (Red boxes indicate the training best suited to the identified role.)  NOTE: The Emergency Management Certification Track is designed for identified State Agency EM Representatives, and those who play a role in emergency management. With the exception of State Agency EM Representatives, those interested in pursuing Emergency Management Certification are required to complete and submit the Sponsorship Form to their identified Emergency Management Representative. Elected and Appointed Officials are requested to provide a letter of intent to HSEM in order for HSEM to assist. Emergency Management Director's Qualification Curriculum Track is designed and designated for working County, Cities of the 1st Class & Tribal Emergency Managers.
